

MANAGEMENT OF A NATIONAL ASSOCIATION

CONFEDERATION OF POLISH LIGNITE INDUSTRY

EMPLOYERS' ASSOCIATION

Jacek Szczepinski
Coordinator

WORKSHOP „EUROPE’S MECHANISMS”, MAY 12TH – 13TH (BRUSSELS)

CONFEDERATION OF POLISH LIGNITE INDUSTRY
EMPLOYERS' ASSOCIATION

MEMBERS

All polish lignite mines	– 5
Consulting and engineering companies	– 2
Opencast machinery and equipments plants	– 5
Logistics and facilities	– 2
Research laboratories	– 1

CONFEDERATION OF POLISH LIGNITE INDUSTRY

EMPLOYERS' ASSOCIATION

MEMBERS (1)

KWB SA
LIGNITE MINE
Bełchatów

97-400 Bełchatów skr. poczt. 100
tel.: (044) 7373000, 7374000
fax: (044) 6322543

Lignite production 36 mill Mg/year.
Supplies Bełchatów Power Plant – 4320 MW capacity.

LIGNITE MINE
ADAMÓW

62-700 Turek, ul. Uniejowska 9
tel. (0-63) 278 73 02, fax (0-63) 278 51 09

Lignite production 5 mill Mg/year.
Supplies Adamów Power Plant – 600 MW capacity.

LIGNITE MINE
Turów

59-916 Bogatynia 3
tel. (0-75) 773 53 00, fax (0-75) 773 33 00

Lignite production 11 mill Mg/year.
Supplies Turów Power Plant – 2000 MW Capacity.

LIGNITE MINE
KONIN

62-540 Kleczew, ul. 600-lecia 9
tel. (0-63) 242 47 70, fax (0-63) 242 65 14

Lignite production 12 mill Mg/year.
Supplies Konin and Pątnów Power Plants – 1738 MW capacity.

LIGNITE MINE
Sieniawa

66-221 Sieniawa Lubuska
tel./fax (0-68) 34 12 022

Lignite production 0,1 mill Mg/year.
Supplies individual customers.

polteqor
-engineering Ltd

53-332 Wrocław, ul. Powstańców Śląskich 95
tel. (0-71) 780 51 31, fax (0-71) 780 41 10

Studies, planning, designing of opencast mining operations with all infrastructure facilities as well as bulk materials handling systems and machinery supply, including environmental protection measures.

CONFEDERATION OF POLISH LIGNITE INDUSTRY

EMPLOYERS' ASSOCIATION

MEMBERS (2)

**OPENCAST MINING
MACHINERY
PLANT**

S.A.

59-900 Zgorzelec, ul. Groszowa 3
tel. (0-75) 77 10 200, fax (0-75) 77 10 205

Manufacturing of BWEs, spreaders, steel construction, spare parts as well as assembling and repair services.

OPENCAST MINING EQUIPMENT PLANT S.A.

62-510 Konin
ul. Przemysłowa 85
tel. (0-63) 242 15 81
fax (0-63) 242 44 99

Manufacturing and erection of belt conveyors and other bulk materials handling equipment, steel construction, spare parts, repair and assembling services.

MACHINERY and EQUIPMENT PLANT S.A.

46-200 Kluczbork
ul. Fabryczna 5
tel. (0-48) 77 182 491
fax (0-48) 77 185 006

Manufacturing of machinery and equipment for handling and raising, steel welded construction, cranes, overhead cranes, wagon tippers, stacker reclaimers.

**ENGINEERING and CONSTRUCTION PLANT
of BEŁCHATÓW LIGNITE MINE**

97-400 Bełchatów, skr. poczt. 100
tel. (0-44) 737 42 55, fax (0-44) 737 72 56

Engineering and construction works as well as repair and maintenance services for opencast mining operations and infrastructure.

TECHNICAL DESIGN OFFICE S.C.

59-900 Zgorzelec,
ul. Armii Krajowej 51 a
tel. (0-75) 77 21 110,
fax (0-75) 77 21 113

Designing of machinery and equipment for opencast mining. Expertise, opinions, construction supervision.

OPENCAST MINING RESEARCH INSTITUTE

poltegor - institute

51-616 Wrocław, ul. Parkowa 25
tel. (0-71) 348 82 11, fax (0-71) 348 43 20

Research on eology, hydrogeology, construction, measuring equipment, steering, automation, specialist laboratories.

**MACHINERY PRODUCTION and REPAIRS
PLANT of BEŁCHATÓW
LIGNITE MINE**

97-400 Bełchatów, skr. poczt. 100
tel. (0-44) 737 44 68, fax (0-44) 737 44 69

Repairs and maintenance works or BWEs, spreaders, belt conveyors and other equipment. Heat treatment, heat-chemical treatment, corrosion protection, belt rehabilitation, linings production.

**TRANSPORTATION and EQUIPMENT GROUP
of BEŁCHATÓW
LIGNITE MINE**

97-400 Bełchatów, skr. poczt. 100
tel. (0-44) 737 42 25, fax (0-44) 737 42 26

Equipment and buses and trucks fleet management, maintenance and repairs, fuel management.

**RUBBER PLANT
SEMPERTRANS**

Sp. z o.o.

OBJECTIVES

- **Representing of its Members joint interests in face of employees and employers unions, state and local authorities and administrative bodies**
- **Creating a platform to have discussions and exchange opinions**
- **Coordinating of common actions of its Members**
- **Representing economic, environmental and research interests in dealings with the polish authorities, other organisations and general public**
- **Voicing the interests of polish lignite industry at European level**

REALISATION

- **Participation in groups elaborating prognosis of lignite requirements for power industry**
- **Propagation of technical research development in lignite industry**
- **Cooperation with state and local authorities**
- **Participation in the national legislation process**

ACTIVITIES

- **Development of polish lignite industry**
- **Lignite multi-direction utilisation as well as its accompanying minerals**
- **Reduction of harmful effects of mining activities on the environment**
- **Comprehensive development of its Members**
